

Final Design Review and Master Sign Program for the Cotati Station Apartments, a mixed-use project consisting of 74 multi-family units and 5,540 square feet of commercial space on vacant parcels totaling 2.42 acre on the east side of Santero Way. The project includes the development of a 0.49-acre public park and a 0.65-acre undeveloped city-owned parcel to be built as a community parking area. This project is exempt from CEQA under section 15195 (residential infill exemption).
