

City of Cotati
City Council Policy No. 2014-01

Moment of Silence at Council meetings

It is the policy of the City Council that the Mayor, at his or her discretion, may call for a moment of silence at a Council meeting as s/he believes appropriate, such as to honor the memory of an individual significant to the community or in recognition of a noteworthy event, and that individual Councilmembers may request that the Mayor observe a moment of silence at a City Council meeting.
