

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Planning Commission will conduct a Public Hearing on **Monday, September 19, 2022, at 6:00 p.m.**, or shortly thereafter, virtually via Zoom from the Council Chambers of Cotati City Hall, 201 West Sierra Avenue, to consider the following matters:

An ordinance to amend the land use zoning code to establish Woonerf (Multi-Use/Multi-Modal Zone) design standards for multifamily projects, mixed-use developments, and other private developments. The proposed ordinance would amend Chapter 17-36.100 (Driveways and site access) of the Cotati Municipal Code.

The Planning Commission will consider the proposed land use code amendments regarding woonerfs and may provide a recommendation to the City Council. A subsequent public hearing will be held by the City Council and will be duly noticed in advance of the meeting. File No. PA# 21/024.

In conformance with California Environmental Quality Act (CEQA), the Planning Division found that this project is consistent with the General Plan and its Final Environmental Impact Report and recommends that no further environmental review is required.

ALL INTERESTED PERSONS are invited to attend virtually or send their comments on the matters listed above to Autumn Buss, Associate Planner, abuss@cotaticity.org <<mailto:abuss@cotaticity.org>>. Please see the meeting Agenda for instructions regarding how to participate virtually.
