

## ENVIRONMENTAL OVERVIEW FORM

Submit as a checklist item for a Planning Permit. Check with the Community Development Department staff to determine whether this form is required.

**1. What natural features presently exist on the site?**

**2. Describe the following site features and the project's potential impact on these features:**

Creeks \_\_\_\_\_

Vegetation \_\_\_\_\_

Trees \_\_\_\_\_

Swales \_\_\_\_\_

Wetlands/Vernal Ponds \_\_\_\_\_

Rare and endangered plants \_\_\_\_\_

Rare and endangered animals \_\_\_\_\_

What is the average slope? \_\_\_\_\_

What is the direction of the natural drainage? \_\_\_\_\_

**3. What natural features presently exist in the immediately surrounding area?**

**4. Describe the following features and the project's potential impact on these features:**

Creeks \_\_\_\_\_

Vegetation \_\_\_\_\_

Trees \_\_\_\_\_

Swales \_\_\_\_\_

Wetlands/Vernal Ponds \_\_\_\_\_

Rare and endangered plants \_\_\_\_\_

Rare and endangered animals \_\_\_\_\_

What is the average slope? \_\_\_\_\_

5. What is the existing use(s) on site and what human-made features exist on site? (identify structures, parking areas and open spaces):

6. Is the site or immediate adjoining area subject to slides, liquefaction, slope instability, or other related hazards?      Yes      No

If yes, describe in detail: \_\_\_\_\_

Is there a geologic/soils report available?      Yes      No

7. Is the property located in a Special Study Zone (Alquist-Priolo)?      Yes      No

8. Is the property located in a Flood Hazard Area?      Yes      No

9. School District: \_\_\_\_\_

10. Is sewer currently available to the site?      Yes      No

11. Is water currently available to the site?      Yes      No

12. Is the property in an area of any known contaminants?      Yes      No

If yes, please list: \_\_\_\_\_

13. Are there any known sources of hazardous materials on site or on immediately adjoining properties?

(Example: Underground gas tanks)      Yes      No

If yes, please list: \_\_\_\_\_

14. Will the proposed project involve use of any hazardous materials?      Yes      No

If yes, please list: \_\_\_\_\_

15. Will the proposed project produce objectionable odors?      Yes      No

**16. What type of equipment is associated with the proposed project?**

\_\_\_\_\_

**17. Will the project result in any removal of existing structures?**                      Yes                      No

If yes, describe any possible historical significance and/or approximate year of construction:

\_\_\_\_\_

**18. List existing and previous**

**uses:**\_\_\_\_\_

**19. Are there any known archeological resources on site or in the general vicinity?**

Yes                      No

If yes, please describe:\_\_\_\_\_

Is there an archeological report available?                      Yes                      No

**20. How is access provided to the property?**\_\_\_\_\_

**21. How much traffic will your project generate?**

Average daily trips                      Employees:\_\_\_\_\_                      Customers:\_\_\_\_\_                      Residential Units:\_\_\_\_\_

Peak times for traffic flow                      AM:\_\_\_\_\_                      PM:\_\_\_\_\_

Number of trips during peak hours                      AM:\_\_\_\_\_                      PM:\_\_\_\_\_

**22. Will your project involve trucking or shipping?**                      Yes                      No

If yes, please describe loading and truck movements on and off site, including times:

**23. Was the subject surrounding properties assessed by a previous EIR or negative declaration?**

Yes                      No

If yes, please provide a name and date of the document and related file number:

**Please provide any other information you feel may have a bearing on the environmental assessment of your project:**

**Describe mitigation or known environmental impacts associated with your project:**
