

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the City Council will conduct a Public Hearing on **Tuesday, May 14, 2024, at 6:00 p.m.**, or shortly thereafter, in the Council Chambers of Cotati City Hall, 201 West Sierra Avenue, to consider the following matter:

Consideration of a Resolution adopting the 2024 Cotati Active Transportation Plan and amendments to the Cotati General Plan consistent with the 2024 Cotati Active Transportation Plan. The 2024 Cotati Active Transportation Plan is an update to the 2014 Cotati Bicycle and Pedestrian Master Plan.

In conformance with California Environmental Quality Act (CEQA), the Community Development Department, Planning Division, found adoption of the Active Transportation Plan to be exempt from CEQA pursuant to SB 922 which amended Public Resources Code Sections 21080.20 and 21080.25 to exempt Bicycle Transportation Plans and projects that meet certain conditions, and the general exemption in CEQA Guidelines Section 15061(b)(3) for projects where it can be seen with certainty that there is no potential for significant environmental effects. The physical improvements included in the updated Active Transportation Plan will be subject to future environmental review when specific projects are proposed.

The proposed 2024 Cotati Active Transportation Plan may be viewed and downloaded here:
